

**The government is planning to make changes  
to Parliamentary Constituencies.  
We are designated to join with Nuneaton !!**

**BUT:**

- We have a close geographical link with Rugby which is 3 miles from us.
- Nuneaton is 15 miles away. How often do you go there?
- Rugby is our Borough Council.
- We have financial, cultural, social and historical links with Rugby.
- Most of our children go to school in Rugby.

**Does this make sense to you?  
What do you think?  
Stay with Rugby or join with Nuneaton?  
We should be in the  
Rugby and Southam Constituency.**

**BUT:**

If you don't register your objections, it's likely to go ahead.  
It's easy to make your comments on line at: [bce2018.org.uk](http://bce2018.org.uk)  
**URGENT: Deadline is December 11th**

**LET EVERYONE KNOW!**
