## Rugby Rural North Safer Neighbourhood Team (SNT)

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in Warwickshire safe. Thanks to an investment in mobile computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you can contact us – in person (on the street, at community meetings), on the phone or online.
